DETAILED ACTION

Response to Amendment

1. In view of applicant's amendment, the 112 rejection of the previous action is withdrawn.
2. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Rogers (WO 95/29455).

As per Claim 1.
Rogers ('455) discloses:

Art Unit: 3629

at least one client computer having means to receive at least one request for a prescription refill, see figure 2 and figure 4A, means to store each prescription refill request, see figure 4A (store drug refills in memory) and means for processing said request, see figure 2;

a host computer, said host computer having means to process said prescription requests;

means for establishing a communication link between said host computer and each said client computer, see figure 4C (transmit prescription) and page 8, line 33 – page 9, line 15

software for receiving a request for a prescription refill facilitated by a client computer and storing said request at the client computer until online communication with a host computer are established, see figures 4A-C.

Allowable Subject Matter

4. Claims 2-15 are allowable.

5. As per Claims 2 and 9.

The prior art of record, specifically Charhut et al ('762) in view of Jain et al ('647) does not disclose or fairly teach

receiving a request for a prescription refill facilitated by a client computer;

storing, at the client computer, the request until on-line communications with a host are established as claimed.

5 The claims which depend from the above allowable claims are allowable for the same reasons.

Art Unit: 3629
